Special Needs	Points
Less than 30% of County Median Income	10
Less than 50% of County Median Income	5
Elderly Household Member	4
Disabled Household Member	4
Single-parent Household	2

Screening of applicants: Recipients will be prioritized by the above criteria without regard to race, creed, sex, color, national origin, religion, or sexual orientation. Household income will be verified for program purposes only (information will be kept confidential). Ownership of property will be verified along with other rating factors. A CHC employee or designee will visit the home of applicants to determine the need and feasibility of repairs/modifications.

How does CHC help? CHC will provide materials and the services of volunteers or professionals, as available, to repair the urgent need of the homeowners/renters, *whose homes are selected* for repair/modification. This assistance is not a loan. No repayment on the part of the homeowners will be expected. Provision of repairs is subject to availability of funding and volunteers. When applicable, clients will be referred to outside resources such as Independent Living, Vocational Rehabilitation, USDA, Community Action Opportunities, Veterans Assistance, etc.

What kinds of work will be done? Only repairs that address imminent threats to the life or safety of occupants of the dwelling or accessibility modifications are performed by CHC. In typical cases, work may include repairing rotten flooring, ceilings or walls and the leaks that caused the rot, repairing and/or replacing damaged roofs; updating and/or repairing electrical wiring; building handicap ramps and/or safety railings; plumbing, etc. In some cases, when utilizing summer groups with varying skill levels, lower urgency repairs may be performed.

Who will do the work on the homes? CHC matches projects to volunteer teams or individuals interested in helping neighbors in need of home repairs. In those cases where professional labor is required, CHC selects contractors who have demonstrated a high degree of skill and ability. All contractors are given equal opportunity to bid. Each contractor will be reviewed by CHC based on references and recent jobs. Each job will be rewarded to the lowest responsive and responsible bidder. "Responsive and responsible" means the contractor (1) is deemed able to complete the work in a timely fashion, and (2) that the bid is within 15% (in either direction) of CHC's cost estimate. Approved contractors will be asked to submit bids on each project. Applications for bidding are available at the CHC office or can be mailed upon phone request. Ads will be placed as needed in the News Record and Sentinel to inform the public about opportunities to bid.

How will clients be referred? CHC will place ads in the Madison County News Record and Sentinel to inform the general public that applications and services are available. Clients are also referred by our partnering agencies such as Community Action Opportunities, Independent Living, Madison County public agencies, USDA, etc.

Is there a procedure for dealing with complaints, disputes or appeals? Although the application process and repair/modification guidelines are meant to be as fair as possible, CHC realizes there is still a chance that some applicants or participants may feel they are not treated fairly. The grievance procedure is as follows:

1. If an applicant feels that his/her application was not fairly reviewed or rated and would like to appeal the decision made about it, he/she should contact the Program Director or Community Engagement Coordinator within 30 days of initial notification. If the applicant remains dissatisfied with the decision, the detailed complaint should be put into writing.
2. A written appeal must be made to the CHC board within 10 business days of the conversation voicing dissatisfaction. Email complaint to CHC Board Chair, Tim Malone at savemadison@live.com.
3. CHC will respond in writing to any complaints or appeals within 60 days of receiving written comments. The CHC board meets bi-monthly.

Will personal information provided remain confidential? Yes. All information in applicant files will remain confidential. Access to the information will be provided only to CHC staff and office volunteers who are directly involved in the program, all of whom sign confidentiality agreements. This information is also shared, upon request, with CHC's auditors.

What about conflicts of interest? No officer or employee of the Community Housing Coalition shall have any interest, direct or indirect, in any contract or subcontract for work to be performed with program funding, either for themselves or those with whom they have family or business ties. Relatives of CHC board members or staff may be approved for rehabilitation assistance only upon public disclosure of such a connection to the CHC board.

What about discrimination and/or favoritism? The Community Housing Coalition (CHC) of Madison County, a 501(C)(3) non-profit organization, does not discriminate in employment or services with regard to race, creed, sex, color, national origin, disability, religion or sexual orientation in accordance with applicable state and federal laws, nor does CHC tolerate discriminatory behavior by its employees, volunteers or clients. All CHC activities, including rating and ranking applications, inviting bids, selecting contractors and resolving complaints, will be conducted in a fair, open and non-discriminatory manner, entirely without regard to race, creed, sex, color, national origin, religion, sexual orientation, or political affiliation. CHC respects our neighbor's right to freedom of speech, but this does not include hate speech or symbolism. Hate demonstrated or displayed by employees, volunteers, or those who have applied for assistance, will not be tolerated.

Initial We ask that you initial, acknowledging our non-discrimination policy, but this document is *yours to keep*. You will also acknowledge this policy when you sign and return the application.

How soon will work be done? Once an application has been received by CHC, every attempt will be made to notify the client that the application is being processed. In most cases work that is to be performed by volunteers will be carried out during June and July of each year.
